

Downtime Projects

Purpose: A downtime project is a project that you will work on when you finish with all of your work and you have everything handed in.

Here are a few projects that you can choose from. You don't have to do them all. There are a few projects that have project sheets. Please read through them carefully before you begin. Ask questions if you have them. Make sure your name and period are on the back of each project before you hand it in.
